

# PUBLIC DISPLAY NOTICE

## THE PROPOSED RECLAMATION AND DREDGING WORKS FOR THE PENANG SOUTH RECLAMATION (PSR), PENANG (REVISION 2)

The Department of Environment is reviewing the EIA report for **THE PROPOSED RECLAMATION AND DREDGING WORKS FOR THE PENANG SOUTH RECLAMATION (PSR), PENANG (REVISION 2)**.

The proposed project will have both positive and negative impacts on the environment. These impacts, and the corresponding appropriate mitigation measures have been identified and detailed in the EIA report by the Project Proponent.

The public is welcome to provide written comments on the EIA report which can be viewed online via official website at:
